

"They all just do things for me - and I never get to learn"

Senior Tech Training Workshop: Tablet 101

AGENDA: Sometimes learning about new technology can be tricky, but that's why we're here! This hands-on workshop will discuss different features on tablets and how they work and how you can use them to connect with friends and family. This session will be facilitated by Student Leadership Johns Creek students and representatives from AT&T. A Q&A session will also be included to answer your questions!

- ❖ **No previous experience is necessary to join this session. Bring your own device, or use one that will be provided by AT&T.**
- ❖ **Saturday, January 20th – 10 am to 11:30 am**
Park Place at Newtown School • 3125 Old Alabama Road • Johns Creek
- ❖ **This session is FREE of charge**
- ❖ **RSVP to parkplace@johnscreekqa.gov or call 678-512-3430**
your RSVP is important so the necessary devices are available.
